

# Safety Data Sheet

This safety data sheet complies with the requirements of: JIS Z 7253:2019

#### Revision Date 2021-02-10 Revision Number 7

## 1. Identification

Product NameReverse PCR Primer Index 6Product CodeST0695CAS-No7732-18-5Registration numberNo information availableDetails of the supplier of the safety data sheet

## Supplier

Japan: Takara Bio Inc. Nojihigashi 7-4-38 Kusatsu, Shiga 525-0058, Japan Phone: +81.77.565.6972 Web: www.takara-bio.com

China:

Takara Biomedical Technology (Beijing) Co., Ltd. Life Science Park, 22 KeXueYuan Road, Changping District, Beijing 102206, China Phone: +86 10 8072 0980 Web: www.takarabiomed.com.cn

**Emergency telephone number** 

In case of emergency, call PERS (Professional Emergency Resource Services) 1-800-633-8253 (US) or 801-629-0667 (international).

## Recommended use of the chemical and restrictions on use

Identified uses For research use only. Not for use in diagnostic procedures Restrictions on use No information available

## 2. Hazard(s) identification

## GHS Classification

| Not classified                                     |                                |
|--|--------------------------------|
| Acute toxicity - Oral                              | Classification not possible    |
| Acute toxicity - Dermal                            | Classification not possible    |
| Acute toxicity - Inhalation (Gases)                | Classification not applicable  |
| Acute toxicity - Inhalation (Vapors)               | Classification not possible    |
| Acute toxicity - Inhalation (Dusts/Mists)          | Classification not possible    |
| Skin corrosion/irritation                          | Classification not possible    |
| Serious eye damage/eye irritation                  | Classification not possible    |
| Respiratory sensitization                          | Classification not possible    |
| Skin sensitization                                 | Classification not possible    |
| Germ cell mutagenicity                             | Classification not possible    |
| Carcinogenicity                                    | Classification not possible    |
| Reproductive toxicity                              | Classification not possible    |
| Effects on or via lactation                        | No effects on or via lactation |
| Specific target organ toxicity (single exposure)   | Classification not possible    |
| Specific target organ toxicity (repeated exposure) | Classification not possible    |
| Aspiration hazard                                  | Classification not possible    |
| Acute aquatic toxicity                             | Classification not possible    |
| Chronic aquatic toxicity                           | Classification not possible    |
| Ozone  | Classification not possible    |

## GHS label elements

Hazard Statements Not classified

Prevention

Not applicable

Response • Not applicable Storage • Not applicable Disposal • Not applicable

Other hazards No information available.

3. Composition/information on ingredients

Pure substance/mixture CAS-No

Mixture 7732-18-5

Pollutant Release and Transfer Registry (PRTR) Not applicable

Industrial Safety and Health Law ISHL Notifiable Substances

Not applicable

Harmful Substances Whose Names Are to be Indicated on the Label Not applicable

**Poisonous and Deleterious Substances Control Law** Not applicable

## 4. First-aid measures

| In case of inhalation                              | Remove to fresh air.   |  |
|--|--|--|
| In case of skin contact                            | Wash skin with soap and water.   |  |
| In case of eye contact                             | Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids. Consult a physician. |  |
| In case of ingestion                               | Clean mouth with water and drink afterwards plenty of water.   |  |
| Most important symptoms/effects, acute and delayed | No information available.  |  |
| Note to physicians                                 | Treat symptomatically.   |  |

5. Fire-fighting measures

| Suitable Extinguishing Media                                   | Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.                            |
|--|--|
| Unsuitable extinguishing media                                 | Do not scatter spilled material with high pressure water streams.  |
| Specific hazards arising from the<br>chemical                  | No information available.  |
| Special Extinguishing Media<br>Large Fire                      | Cool drums with water spray.<br>CAUTION: Use of water spray when fighting fire may be inefficient.                                 |
| Special protective equipment and precautions for fire-fighters | Firefighters should wear self-contained breathing apparatus and full firefighting turnout gear. Use personal protection equipment. |

## 6. Accidental release measures

| Personal precautions, protective<br>equipment and emergency<br>procedures | Ensure adequate ventilation.   |
|---|--|
| For emergency responders  | Use personal protection recommended in Section 8.                                    |
| Environmental precautions   | See Section 12 for additional Ecological Information.                                |
| Methods for containment   | Prevent further leakage or spillage if safe to do so.                                |
| Methods for cleaning up   | Pick up and transfer to properly labeled containers.                                 |
| Prevention of secondary hazards   | Clean contaminated objects and areas thoroughly observing environmental regulations. |

## 7. Handling and storage

| Handling_               |  |
|-------------------------|--|
| Advice on safe handling | Handle in accordance with good industrial hygiene and safety practice.   |
| Storage                 |  |
| Storage Conditions      | Keep containers tightly closed in a dry, cool and well-ventilated place. |

| 8. Exposure controls/personal protection                |   |  |  |
|---|---|--|--|
| Engineering controls                                    | Showers<br>Eyewash stations   |  |  |
| Exposure guidelines                                     | Ventilation systems.<br>This product, as supplied, does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies. |  |  |
| Biological occupational exposure limits                 | This product, as supplied, does not contain any hazardous materials with biological limits established by the region specific regulatory bodies                                     |  |  |
| Environmental exposure controls                         | No information available.   |  |  |
| Personal Protective Equipment<br>Respiratory protection | No protective equipment is needed under normal use conditions. If exposure limits are exceeded or irritation is experienced, ventilation and evacuation may be required.            |  |  |
| Eye/face protection<br>Skin and body protection         | No special protective equipment required.<br>No special protective equipment required.  |  |  |

## 9. Physical and chemical properties

#### Information on basic physical and chemical properties

| Appearance<br>Physical state<br>Color<br>Odor<br>Odor Threshold   | Clear, colorless<br>Liquid<br>Clear<br>Odorless<br>No information available |  |
|---|---|--|
| Property<br>Melting point / freezing point<br>Boiling point/boiling range (°C)<br>Flammability (solid, gas)<br>Upper/lower flammability or explosi<br>Upper flammability limit: | <u>Values</u><br>ve limits  | Remarks • Method<br>No information available<br>No information available<br>No information available         |
| Lower flammability limit:<br>Flash point<br>Evaporation Rate<br>Autoignition temperature<br>Decomposition temperature   |   | ASTM D 56<br>No information available<br>No information available<br>No information available                |
| pH<br>Viscosity<br>Kinematic viscosity<br>Dynamic Viscosity<br>Water solubility   |   | No information available<br>No information available<br>No information available<br>No information available |
| Solubility in other solvents<br>Partition Coefficient<br>(n-octanol/water)  |   | No information available<br>No information available   |
| Vapor pressure<br>Vapor density<br>Relative density<br>Particle characteristics<br>Particle Size  |   | No information available<br>No information available<br>No information available<br>Not applicable           |
| Particle Size Distribution <u>Other information</u>   |   | Not applicable   |

Other information Explosive properties

No information available No information available

## 10. Stability and reactivity

| Reactivity   | No information available.                 |  |  |
|--|---|--|--|
| Chemical stability   | Stable under normal conditions.           |  |  |
| Possibility of hazardous reactions   | None under normal processing.             |  |  |
| Incompatible materials   | None known based on information supplied. |  |  |
| Hazardous Decomposition Products None known based on information supplied. |   |  |  |
| Explosion Data   |   |  |  |
| Sensitivity to static discharge  | None.                                     |  |  |
| Sensitivity to mechanical impact None.                                     |   |  |  |

11. Toxicological information

Acute toxicity

**Oxidizing properties** 

Numerical measures of toxicity - Product Information

0.975 % of the mixture consists of ingredient(s) of unknown acute oral toxicity 0.975 % of the mixture consists of ingredient(s) of unknown acute dermal toxicity

0.975 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (gas) 0.975 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (vapor) 0.975 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (dust/mist)

| Symptoms                          | No information available.  |  |  |
|-----------------------------------|--|--|--|
| Product Information               |  |  |  |
| Ingestion                         | Specific test data for the substance or mixture is not available.                              |  |  |
| Inhalation                        | Specific test data for the substance or mixture is not available.                              |  |  |
| Skin contact                      | Specific test data for the substance or mixture is not available.                              |  |  |
| Eye contact                       | Specific test data for the substance or mixture is not available.                              |  |  |
| Skin corrosion/irritation         | Based on available data, the classification criteria are not met. Classification not possible. |  |  |
| Serious eye damage/eye irritation | Based on available data, the classification criteria are not met. Classification not possible. |  |  |
| Respiratory or skin sensitization | Classification not possible.   |  |  |
| Germ cell mutagenicity            | Based on available data, the classification criteria are not met. Classification not possible. |  |  |
| Carcinogenicity                   | Based on available data, the classification criteria are not met. Classification not possible. |  |  |
| Reproductive toxicity             | Based on available data, the classification criteria are not met. Classification not possible. |  |  |
| STOT - single exposure            | Based on available data, the classification criteria are not met. Classification not possible. |  |  |
| STOT - repeated exposure          | Based on available data, the classification criteria are not met. Classification not possible. |  |  |
| Aspiration hazard                 | Based on available data, the classification criteria are not met. Classification not possible. |  |  |

| 12. Ecological information     |  |  |  |
|--------------------------------|--|--|--|
| Ecotoxicity                    | Classification not possible.   |  |  |
| Percentage for unknown hazards | 0.975 % of the mixture consists of component(s) of unknown hazards to the aquatic environment. |  |  |
| Persistence and degradability  | No information available.  |  |  |
| Bioaccumulation                | No information available.  |  |  |

| Hazardous to the ozone layer<br>Other adverse effects | Classification not possible. Based on available data, the classification criteria are not met. No information available. |  |  |
|---|--|--|--|
|   | 13. Disposal considerations  |  |  |
| Waste from residues/unused products                   | Dispose of in accordance with local regulations. Dispose of waste in accordance with environmental legislation.          |  |  |
| Contaminated packaging                                | Do not reuse empty containers.   |  |  |
|   |  |  |  |
|   | 14. Transport information  |  |  |
| IMDG  | Not regulated  |  |  |
| ADR   | Not regulated  |  |  |
| IATA  | Not regulated  |  |  |
| <u>Japan</u>  | Not regulated  |  |  |
| 15. Regulatory information                            |  |  |  |

## National regulations

#### Pollutant Release and Transfer Registry (PRTR) Not applicable

### Industrial Safety and Health Law Not applicable ISHL Notifiable Substances

Not applicable

Poisonous and Deleterious Substances Control Law Not applicable

Fire Service Law: Not applicable

### Act on the Evaluation of Chemical Substances and Regulation of Their Manufacture, etc. (CSCL) Not applicable

Act on Prevention of Marine Pollution and Maritime Disaster Not applicable

International Regulations

## The Stockholm Convention on Persistent Organic Pollutants Not applicable

The Rotterdam Convention Not applicable

#### International Inventories IECSC

## Legend:

 TSCA - United States Toxic Substances Control Act Section 8(b) Inventory

 DSL/NDSL - Canadian Domestic Substances List/Non-Domestic Substances List

 EINECS/ELINCS - European Inventory of Existing Chemical Substances/European List of Notified Chemical Substances

 ENCS - Japan Existing and New Chemical Substances

 IECSC - China Inventory of Existing Chemical Substances

 KECL - Korean Existing and Evaluated Chemical Substances

 PICCS - Philippines Inventory of Chemicals and Chemical Substances
